

AUTHORIZATION FOR SURGERY

Owner Name _____ Date _____

Patient Name _____ Breed _____ Color _____

1. I hereby consent and authorize Dr. _____ and whomever he may designate as his assistants to perform the following surgical procedure(s):

If any unforeseen condition arises in the course of the above stated operation , according to his best judgement, for procedures in addition to or different from those now contemplated, I further request the veterinarian responsible to do whatever is deemed appropriate and necessary including emergency procedures, pain medication and management.

2. The nature and purpose of the operations, possible alternative methods of treatments, risks involved, and the possibility of complications have been fully explained to me. I acknowledge that no guarantee or assurance has been made as to the results that may be obtained, and that I assume all risks.
3. All patients must have current vaccinations. This includes Bordatella as well as a current 'heartworm negative' status for all dogs.
4. For the safety of your pet, we will perform a biochemical blood screen prior to the administration of sedatives and general anesthesia. The purpose of these tests is to verify the metabolic health of the patient, the ability of the kidneys and liver to safely eliminate the anesthetics from the body, assuring a safe recovery and successful procedure. If these tests indicate any abnormalities and/or suggest a risk to the patient, you will be notified immediately before proceeding.

PERMANENT MICROCHIP IDENTIFICATION SYSTEM

We offer an identification system using a microchip implant. This implant, approximately the size of a grain of rice, is quickly and painlessly placed under you pet's skin while they are still sedated. Each microchip has a personal ID number, which is unique to your pet and once registered is linked to you information. Your information is maintained by the HomeAgain company and their database. This service is a benefit for every pet in the event that they become lost, run away, or are stolen. The cost for the implantation is \$49.86. Registration with HomeAgain is \$25.00 for the first pet and \$10.00 for each additional pet you have microchipped. If you have any further questions regarding this service please ask us at time of surgery check-in. YES / NO (PLEASE CIRCLE)

HIP DYSPLASIA RADIOGRAPH

If appropriate, and while sedated, I DO / DO NOT (PLEASE CIRCLE) wish to have my dog's hips evaluated for hip dysplasia. The cost of this service is \$91.75.
